INTRODUCTION

Welcome

Your big day at Revesby Running Festival 2026 is almost here!

This race pack contains everything you need to know before race day, from getting to the venue and collecting your race number to event timings, parking, facilities and making the most of everything happening across the festival.

Whether you're taking on the 5K, 10K, 10K Tabbings, Half Marathon or the unique Challenge The Estate (Solo or Team), we're looking forward to welcoming you to an unforgettable day of trail running at the stunning Revesby Estate.

Please take a few minutes to read through this pack before you arrive. It will answer the vast majority of questions and help ensure your day runs as smoothly as possible.

If you do need any further assistance, you'll find plenty of additional information on our website and across our social media channels, including Facebook, Instagram and YouTube. If your question still isn't answered, don't hesitate to get in touch—we're always happy to help.

Now all that's left to do is get excited... we'll see you on the start line!

GETTING TO REVESBY

By Car

Please allow plenty of time for your journey and check for any planned roadworks, closures or delays before setting off. We recommend using the Highways Agency journey planner or your preferred navigation app. If possible, please consider car sharing to help reduce congestion and minimise the environmental impact of the event.

Please note: Access to the event is not via the main Revesby Estate gates.

All competitors and spectators should enter via Park Lane.

what3words: ///yappy.flight.snowboard

As you approach the venue, simply follow the black and gold Trident Sports Events directional signs. Our parking team will be on hand to guide you into the event car park, and you'll know you're in the right place when you see the large Trident flags at the entrance.

Once parked, it's just a short walk to Race HQ, where you can collect your race number, visit the Event Village and prepare for your race.

PARKING

Free parking is available for all competitors and spectators, with plenty of space available within the Revesby Estate.

To ensure everyone arrives and leaves safely, our parking marshals will be on site throughout the morning directing vehicles. Please follow their instructions at all times and park only where directed.

The car park is located on the grass fields within the estate, just a short walk from Race HQ. From the parking area you'll be able to see the Trident Sports Events Gazebo, where race number collection and registration will take place, along with the Event Village, toilets and event facilities.

Please take a few moments to look over the Race Village maps below before race day so you know exactly where everything is when you arrive.

REGISTRATION

On arrival at the HQ, please give your name and bib number, but please be prepared to show us ID to verify who you are if asked. We will ask you to verify your emergency contact details for our medical team.

Please attach your number to the front of the shirt you'll be running in. Your number must be visible at all times during the race.

The Gold numbers are for the Challenge event, Blue is for Half Marathon, Red is for 10K and Green numbers are for the 5K run.

If you have any questions please don't hesitate to ask one of the volunteers who will be more than happy to help.

TOILETS/BAG DROP

Toilet facilities will be available throughout the event and are conveniently located within the Event Village, close to the start/finish area and food vendors.

As the Half Marathon starts first, we kindly ask competitors in the later events to consider allowing Half Marathon runners priority use of the toilets in the lead up to the 10:00am start. This small gesture will help reduce queues and ensure everyone gets to the start line on time.

Competitors taking part in Challenge The Estate will also have access to a dedicated toilet within the Challenge Village.

A free bag drop will be available for all competitors and is located adjacent to the Trident Sports Events registration gazebo. While every care will be taken to look after your belongings, all items are left entirely at the owner's risk. Please avoid bringing valuables wherever possible.

PHOTOS

Every competitor will receive a FREE professional finish line photo as part of their entry.

Our timing partner (Sublime Timing) will be positioned at the finish line to capture your achievement, whether you're crossing the line after your first 5K or completing the final stage of Challenge The Estate.

Your photos will be uploaded after the event and made available to download free of charge. We'll share the gallery link on our website and social media channels as soon as they're ready.

Take a moment to smile—you've earned it! 📸

START PROCEDURE

1. Please ensure your race number is clearly visible on the front of your vest or top before making your way to the start area.
2. Make sure you have used the toilets for the final time before your race begins.
3. Get yourself race-ready and check you have everything you need before entering the start area.
4. Challenge the Estate & Team Challenge runners must be ready at the start line for an 8:00am Stage 1 start. Team Challenge teams must nominate one runner for each stage, and the competing runner must wear the their allocated race number bib.
5. Half Marathon runners should be near the registration area from 9:50am ready for a pre-race warm-up with V Fitness, followed by the official race briefing before making their way to the start line.
6. 5K runners will gather at the start area following the Half Marathon start for their V Fitness warm-up. This will be followed by a race briefing ahead of the 10:15am start, alongside Challenge the Estate athletes beginning Stage 4.
7. Once you have entered the start funnel, completed the race briefing, and reached the finish gantry, you will be under the control of the race starter.
8. Immediately after the 5K start, 10K runners will be called forward into the start/finish funnel to prepare for their 10:30am race start.

COURSE MAPS

All routes are outlined below. If you want to download before the race a .gpx file is available through the events page on our website. Both the Half Marathon and 10 KM routes will have access to aid stations (water only).

Half marathon route you will pass it at 4.1 miles, 6.5 miles and 10.6 miles (approx)

For the 10 KMs you will hit the aid station at 3.8 miles (approx) and then the finish line.

CHALLENGE /5K

The Challenge the Estate event returns for 2026 with both solo and team options available. Following the success of the inaugural team format, teams of 2-4 runners can once again take on the ultimate Revesby Running Festival challenge together!

Complete 10 progressive stages, each with its own cut-off time, either as an individual or as part of a team. Teams have the flexibility to decide how they tackle the stages – share the workload across multiple runners, take on several stages each, or save one runner for the final push to the finish line!

All Challenge the Estate runners and teams will start Stage 1 together at 8:00am beneath the main gantry. The remaining stages will continue at scheduled intervals throughout the day.

The 5K route and Challenge the Estate course follow the same route and will be clearly marked using the White & Red course signs shown to the left.

COURSE MAPS

The Challenge event has 10 Stages:

- Stage 1 - 50mins
- Stage 2 - 45mins
- Stage 3 - 40mins
- Stage 4 - 35mins
- Stage 5 - 30mins
- Stage 6 - 28mins
- Stage 7 - 26mins
- Stage 8 - 24mins
- Stage 9 - 22mins
- Stage 10 - 20mins

Runners have the allotted time above to complete each stage. The next stage will begin from the rest area after the previous stages time has elapsed. The start times for each Stage are on the next page. There is a rest area, with nutrition and a toilet specifically for the Challenge athletes.

HALF MARATHON

The Half Marathon is a stunning two-lap route that begins in the iconic Revesby deer park before taking you on a journey through some of the most scenic parts of the estate.

After a short section along the estate perimeter, you will head back into the picturesque woodland trails. As you emerge from the woodland track, you will arrive alongside the beautiful reservoir – this is where the course splits. Clear signage and a marshal will be in place to guide you, with Half Marathon runners heading LEFT around the north side of the reservoir.

Following the Beck, the route then takes you beyond the estate boundary before reaching the new aid station location. From here, you will enjoy a mixture of hard tracks, trails, and stunning views as you follow the ridge of the Lincolnshire Wolds.

The final section brings you back into the estate grounds through 'The Belt', before completing a loop around the perimeter of the estate field. You will then pass back through the start/finish area to begin your second lap, ready to take on the challenge once again before heading towards the finish line.

10 KM

The 10K route follows the same stunning opening section as the Half Marathon, starting within the estate grounds before making its way towards the reservoir and through the surrounding trails.

As you arrive at the reservoir, the route split point will be clearly marked and marshalled. 10K runners will head RIGHT, following the southern side of the water and continuing alongside the beautiful waterfront before joining the trail alongside the Beck.

After passing through the aid station, the route heads beyond the estate boundary where you will enjoy a mixture of hard tracks and scenic trails along the ridge of the Lincolnshire Wolds.

The final section brings you back into the estate grounds through 'The Belt', before following the perimeter of the estate field and making your way towards the finish chute, where your Revesby Running Festival challenge finishes.

REVESBY RUNNING FESTIVAL 19TH JULY '26

COURSE SIGNAGE

Both the Half Marathon and 10K routes will be clearly marked throughout the course using the gold and black directional arrows shown on the left.

Please ensure you follow the correct signage for your chosen distance at all times.

SELF CARE / MEDICAL SUPPORT

Our fantastic Team Trident marshals will be positioned throughout the course to help keep you safe, provide guidance, and ensure you stay on route. Please listen to and follow their instructions at all times – they are there to help you enjoy a fast, safe, and successful race.

Our marshals are easily identifiable by their bright orange Hi-Viz jackets and will be on hand to support you throughout your journey.

If you begin to feel unwell, experience any pain, or feel that a niggle is developing into an injury, please stop and speak to the nearest marshal. Wherever you are on the course, our team will ensure the appropriate support reaches you.

We are also supported by our professional medical provider, Singleton Event Services, who will be based on site and ready to provide assistance should it be required.
